STATUTORY NOTES: RCW 64.34.425 requires every condominium association, within ten days after a request by a unit owner, to furnish a certificate containing the information provided above, together with any other information reasonably requested by mortgagees of prospective purchasers of units. Information requested generally by FNMA, FHLMC, GNMA, the VA and HUD is deemed reasonable, provided such information is reasonably available to the association. The information requested in items 21 through 29 is information generally required by mortgagees of prospective purchasers in this State and those items are included in this Resale Certificate form to avoid the necessity of associations filing out a multiplicity of different forms.

The selling unit owner is also required by RCW 64.34.425 to sign this Certificate, but is not liable to the Buyer for any erroneous information provided by the Association and included in the Certificate unless and to the extent the Unit Owner had actual knowledge of that erroneous information.

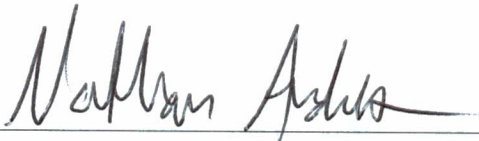

A Buyer is not liable for any unpaid assessment or fee against the Unit as of the Effective Date of this Certificate greater than the amount set forth in the Certificate unless and to the extent the Buyer had actual knowledge that a greater amount was due. Buyer is cautioned to contact the Association at the address below prior to closing of the sale for updated pay-off amounts to avoid liability for amounts assessed against the Unit after the Effective Date of this Certificate.

A unit owner is not liable to a Buyer for the failure or delay of the Association to provide a Resale Certificate in a timely manner, but the Buyer's contract is voidable by the Buyer until the Certificate has been provided and for five days thereafter or until conveyance, whichever occurs first.

I certify under penalty of perjury under the laws of the State of Washington that I am the **Managing Agent** of the Association, that I am authorized to make this Certificate on behalf of the Association, and that, to the best of my knowledge and belief, the foregoing is true and correct.
